Traffic Generator: Traffic Generator is a fully functioning Traffic enhancer. Webmasters will come to the TrafficGen and signup , at which time they will recieve an index page that they will promote, the index page will have links from a set number of users that have signed up prior. they will have the top spot, and thier sponsor (the one that they signed up under will have number #2, and his sponsor #3, etc..). All users pages will have a "Sponsor Ad" that sits above all and is controled by the admin. Each person that signs up will also be prompted to join the built in mailing list which is controlled by admin. giving another option for admin to advertise. This script is chocked full of features.
