TxE8 is a unique flexible word processor with a user-friendly interface. It's easy to use, powerful and 100% free. It loads extremely fast, can handle very large documents, can e-mail your documents (without using another program), and it has Drag and Drop support. It has many unique features, like the on-screen Find-bar to find things fast, and the Add text panel, which allows you to insert frequently used words quickly.
