Type Pilot

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

With Type Pilot, you can type frequently used text fast and easy. You just type a word, and Type Pilot will automatically replace it with a phrase or a paragraph. Type Pilot is useful for writing standard phrases such as signatures, email addresses, URLs, phone numbers, frequently used sentences, letter templates, etc. The program will work with any text editor. The tree-like structure will help you to keep your information in order.
