Video Share Enterprise is the ultimate solution (youtube clone) for starting your VIDEO, AUDIO and PHOTO sharing and uploading community just like Youtube and MySpace Videos. But wait, not only does our solution offers you a video sharing capability, members can now share AUDIO and our FlashAds plugin allows your advertisers to add PAID video ads before uploaded videos are being played! Video Share is our enterprise level software that offers a powerful and feature rich multimedia solution combining both video sharing and social networking into one package. Features include: template based, built-in flash player for video streaming, mp3 flash player, integrated paypal payment system, upload video, messaging system, embeddable video player, real-time video conversion, video/profile rating, playlist, groups, setup video channels, friend lists, advertiser and polling plug-ins as well as an advance admin interface
