Visualizer IB is a powerful Award-Winning freeware image browser. View your photos fast and easy using the many easy-to-use built in features. Turn your gallery into a single web page using the built in Thumbnail Generator. All it takes is a single mouse click and Visualizer IB will handle the rest. Autorun CD-ROM support included. Convert and Compress your Photos to small size JPG files. The JPG compression tool will reduce the file size, making your photos suitable for the web or e-mail attachments. Select an image and send it as an e-mail. Turn up the volume and let Visualizer IB play your MP3 files. Add background music to your Slide show. Pick an image folder, add your soundtracks and go! MP3 Player, MP3 Playlist and MP3 Encoder included.
