Mobile Number	{value_mobile_number}
Email	{value_email}

VT Ads is a simple and easy to use banner rotation program available online which is written using ASP. With this script you will be able to create, change and rotate banners on your partner's websites easily. All you do is change graphic banner on your site and it'll changes on each site where your partners putted your code. Very useful for banner / link exchange partner programs.
