WAP Text Modify

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This script lets you modify both the Web and WAP sites' text contents simultaneously (in one step) through WAP interface. This script is written to display the modification date, 3 products and their prices. C/w WAP input form. With some simple HTML and cgi knowledge, your can modify the active output WAP and Web pages to suit your needs. Eg. you may have more products or you may want to convert it to a message board.
