

WebHangman

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This WebHangman was made after looking at many Hangman games as possible to see what was good or bad about each. The main objectives were to create something that looks good and easy to play. Also for the webmaster, it had to be easy to make new puzzles. You can see several example games at <http://EnglishCafe.co.uk>.
