webJobs allows you to start a fully automated and comprehensive job site, providing you with the newest features of major employment sites out there, such as monster.com and hotjobs.com. Our job board software enables you to process payments instantly through the popular payment gateway Authorize.net. Payment options can be easily configured through our intuitive administrative area, as well as all other components of the site such as the layout, emails, and registration options. Whether you are looking for a simple job script or a fully featured job board software package, webJobs is the right choice for you! Please don't hesitate to give us a call at 1-888-706-1394.
