

webJobs Authorize.net Plugin

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

The webJobs Authorize.net plugin allows you to accept payments through the popular Authorize.net payment gateway. The plugin is fully compatible with webJobs and is simple to install. Once installed, simply enter your merchant ID and you can begin accepting payments at once. As with all of our products, we offer a free installation and can assist you in installing this module if you need help!
