

webJobs Bulk Posting Plugin

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

The webJobs Bulk Posting Plugin allows employers to upload new job posting in bulk. This is particularly attractive for larger companies who are looking to advertise many job openings in their company at once. Employers can upload tab, comma, or pipe delimited files and the plugin will automatically read these files into the database. This plugin allows larger companies to add jobs much easier, adding extra revenue to your job board website!
