

# webNetwork Multilanguage Plugin

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

The webNetwork Multilanguage plugin will allow your members to choose which language they would like to view the site in. The multilanguage plugin comes with a set of translations at no additional cost, and new language packs can be easily added through the admin area. Our multilanguage interface makes it easy to modify the text and translate it from English to a different language. Help your site grow and gain international popularity by allowing your members to browse the site in their native language!
