Use WebSale Tracked™ to find the referring website for each website sale. WebSale Tracked™ will even tell you which keywords were used if a sale results from the use of a search engine. Maximize your investment with companies such as Overture and Google Adwords and find out which keywords result in sales. WebSale Tracked™ can be integrated with PayPal and other credit card processing companies and very simple to install. Use WebSale Tracked™ to replace your affiliate program or catch the cheaters that take advantage of the inherent weakness of traditional affiliate programs.
