

## Whats New

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

Whats New by CGI World is your solution for informing website visitors of updates & possible upcoming / daily events that you can post to your whats new area and/or have viewed on an existing HTML page. It also features News archives & the ability to attach a viewer feedback forum to a news group for users to interact and respond to news you post.
