

# Who's Connected

|                       |                        |
|-----------------------|------------------------|
| <b>Address</b>        | {value_address}        |
| <b>Contact Person</b> | {value_contact_person} |
| <b>Mobile Number</b>  | {value_mobile_number}  |
| <b>Email</b>          | {value_email}          |

Who's Connected is a set of two small PHP scripts that use MySQL to display the number of users who have viewed a page within the last minute (can be modified). First script will add the connection to a table in MySQL. The second script will display the number of users.
