

# WooCommerce Apply Coupons Automatically

<b>Address</b>	{value_address}
<b>Contact Person</b>	{value_contact_person}
<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

WooCommerce Apply Coupons Automatically allows you to link your coupons to users and/or roles. They will then get the coupon automatically applied on the cart or at checkout. This way you can easily use the power of WooCommerce default coupons to create instant discounts for: Merchants, resellers. Registered customers (for Free Shipping). Special sales (Black Friday, Cyber Monday) or just good friends of yours. Main Features: Easy to use. Select users or/and roles. Combine multiple coupons. Set a custom label for the coupon. Activate/deactivate the automatic mechanism.
