

WordPress Form

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Form Maker is a WordPress plugin which allows users to create numerous online forms or choose from templates such as Bug Tracker, Customer Satisfaction Survey, Mailing List, Employment Application, Event Registration and Party Invitation Forms. This WordPress plugin is the best in WordPress Plugin Directory. It allows to set the size of each element and change colors. It handles small forms to complex form applications. The plugin is perfect for beginners as it is affordable and user-friendly.
