

WordPress Plugin - Mobile from PluginBuddy

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

PluginBuddy Mobile is a professional WordPress plugin that allows you to easily build an iPhone version of your site in minutes using the built-in style manager, mobile-ready themes and custom header uploader. Mobile is ideal for developers who could offer special mobile design packages to your clients and of course, for those of you who want to be the hip kids on the block and have your own iPhone site version.
