<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

Spider Catalog is one of the best WordPress products catalog plugins. This tool allows users to organize the products represented on the website into convenient catalogs. Each product on the catalog is assigned with a relevant category, it helps the users easily find and identify the required products. Customers can rate the products offered on the catalog, and write reviews which will appear under the catalog products. Each product on the catalog can be represented with an image. WordPress products catalog plugin gives you possibility to make various changes concerning almost all the features of the catalog.
