WP Site Protector (WordPress Site Protector) Professional protects your WordPress website from the unauthorized copying of data, content and images. You can block the right click usage, text-selection, image drag and drop on your website, so that the individuals can't copy your data. You can also stop robots and bad-bots so that they won't steal your site data. Features and Specifications of WordPress Site Protector Pro : \* Disables Right Click on your website \* Disables Text Selection on your website \* Disables Image Drag and Drop \* 360 Degree Protection against data theft \* Unreadable codes for automatic grabbers \* Free SEO Support and much more... To enable the features, please visit the Options page after installing the WordPress Site Protector Pro on your website. WordPress Site Protector Pro is available in 4 licenses. 1 Site License is for \$30, 5 Sites License comes as of \$120. 10 Sites License could be purchased at \$210, while the Unlimited Sites License is available at \$600.
