Is our tiny gift to the affiliate community. Tiny in size, but high in value. WP URLs Shortier streamlines countless and endless URL's into neat little formulas that you can remember any time and everywhere. With WP URLs Shortier you can come up with customized URL's as short as you like them, whenever you need them. A plugin to make your life a lot easier and your performance a lot faster. WP URLs Shortier even counts, where it counts: at a single glance you will see the clicks stats for all your links. No more cheating by affiliate providers. WP URLs Shortier is up and running within seconds. Install, define your setting, enter long source and short target URL's and make more money. Now imagine: you could relay her to www.some-affiliate-url-long-to-count-word.com/website_development/index.php?affiliate-id=564 (and she'll smack you over the head for that insult)
