World Wide Ad Maker

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This script allows you to register users who can create ads with pictures, description, and keywords. You can set up a default picture for those ads with no picture. It has a search page with allows users to search by category. You configure the categories in an easy array. You can use it as a classifieds, personal ads, penpals, etc. It allows users to mail back and forth without revealing email addresses. You can also configure the background and text colors.
