

WP AutoPin WP Plugin

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

- Automatically post your post/page contents to pinterest directly from wp-admin - Easy to install like any other wordpress plugin - Easy to configure (just three fields to be configured : username, password, profile url) - Automatically fetches your boards after entering credentials. - Adds metabox to ask if you want to pin the image upon post saving.
