This WordPress Plugin Automates Your Product & Membership Sales! You may have already realised like many other online entrepreneurs, that running an online business requires someone who can multi-task. It can become very frustrating maintaining your "thank you" pages, trying to keep your download links safe, creating payment buttons, trying to keep track of the customer sales details, tracking your sales, refunds etc... I could go on but you get the idea, the list is never ending! Well WP Sales Automator solves those problems, doesn't matter if you sell individual products or run memberships based sites. WPSA can do both it's a wordpress membership plugin and digital products plugin in one!
