WPAutoPin is a WordPress Plugin which enables you to Post to your pinterest account directly from your WordPress Site. How it works? - Your purchase our plugin for just \$10 USD via PayPal - Install the plugin (installation is easy, like any other wp plugin) - Configure your pinterest credentials and profile from plugin wp-admin section - Fetch your boards automatically after configured details - Post a page or a blog post with image(s) and choose to post to pinterest as well. All automatically. How nice!
