<b>Email</b>	{value_email}

WSN KB provides an advanced platform for an article directory. Write articles with the WYSIWYG editor or automate addition of articles by submitting a blog feed. Use the many SEO and social media options to gain traffic. Translate to any language. Add any custom fields you desire, change the look and feel easily with the style designer or take complete control with the templates. Enjoy automated updates and full support. Also available as a wordpress plugin.
