WordPress X-Treme Carousel Slider with Admin Panel is the best solution to showcase your portfolio images. It's very easy to install and it comes with a lot of cool features that you can adjust via Carousel Admin Panel. The images are uploaded via WordPress Media Uploader. Features: Unlimited number of images (JPG, PNG, BMP, GIF). Insert unlimited sliders via shortcode. Custom WordPress Admin Panel to manage and modify all slideshows. Drag and drop feature to help you change carousel images order. Center logo image support and all rotation menu behaviour orientation. Dynamic image reflection with transparency, distance and direction settings. Set URL links when pressing on individual images. Optional you can show / hide two navigation buttons and the scrollbar. HTML / CSS driven ToolTips description text and ToolTips position, offset support. Help documentation available in html format.
