1 Cool Password Tool

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

1 Cool Password Tool is the most fully-featured application available for adding password protection to your web-site. With its powerful template-driven interface, you can create multiple passwords for any page on your web site, without any programming knowledge at all. You can easily customize the design of the password-entry page to suit the rest of your site.
