

Active Tri-State Roll-Over Images on Form Submit and Reset

Address {value_address}

Contact Person{value_contact_person}Mobile Number{value_mobile_number}

Email {value_email}

Replace the ugly 'gray button' Reset and Submit on forms -- this script shows how to use active tri-state rollover images, instead. A quick-take tutorial is included, along with images and notes on using styles with form elements for a flashier look and feel.
