Almost well known e-stores today have powerful drop down carts swiftly revealing the added-to cart products in an excellent dropdown list appearance. Ajax Dropdown Cart makes ecommerce websites look tidy as well as competent, giving customer's pleasures when reviewing products that they have chosen in shopping activities. Ajax Dropdown Cart Virtuemart extension is easy for you to set up like a regular Joomla installation. After you activate the module and include it at any chosen position in the Joomla template (top/header is recommended), then it will be ready to use the dropdown cart.
