AuctionWorx Enterprise is an optimized auction web experience for mobile and tablet devices. List your own products or enable multiple sellers. Full invoicing with checkout options for sales or charging fees. AuctionWorx is an Enterprise-Class solution built on ASP.NET 4.5.1 MVC 5 (C#) and a responsive design. Single Seller - List your own products - Replace or build on to existing sales channels with a fully configurable auction website. Multiple Seller - Create a marketplace of multiple vendors - Allow 3rd party sellers to promote their listings and charge listing and final sale fees configurable to your business model requirements. Essential eCommerce features - Offer buyer checkout with sales invoicing, sales tax, shipping options, and multiple payment options.
