Bootstrap 3 responsive forms

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

HTML5 responsive forms features a large collection of various forms created using Bootstrap3 (3.3.7-latest). We have used CDN (Content Delivery Network) links to make the webpage elements load faster. We will be providing you with multiple forms like Login Form, Registration Form, Search Form, Payment Form and many more. This item will also include form containg all the elements used in each of the forms making it 100% customizable.
