We don't charge by the hour, only by a one time fee. We can build your site in HTML, PHP, C, C++, Java, ASP, ASP.NET, C#, javascript, xhtml, css, customise templates for you, or even custom build software in Visual Basic 6.0. We plan on adding some scripts for download soon. We even have a sale on a site every day. Let alone our low prices on any site large or small. If you want your site compleately designed the way you wat it, let us know. We are open 24/7 and once we recieve your order, we will contact you and start the project with you. You can view our site in English, Spanish, or German. This is an opportunity you don't want to miss. If you are a programmer/freelancer, great! We can use a person like you on the job. Just contact me and we can get you started on some freelance work to let you earn 100% profit from your work. That's right, 100% profit for your work. Are we insane? Only the product descriptions are because we want to make you laugh. We want YOU to get what YOU earned from YOUR work. What do we get? A sucessfull business that is built on teamwork. If nothing else, please take a look at our business.
