CIRCULAR – ELLIPTICAL GALLERY

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

This is an XML carousel gallery having wide range of options to customise. Your thumbnails and main images can be square or rectangle and it will be displayed in circular, elliptical and or several other sub-structures as per choice. Automatically resizes the image to specified size and fits within the shape without gap. It can display infinite number of images as it loops the thumbnails while rotating.
