ClinanG-is an all-in-one clinic software platform that can help clinics manage all aspects of their practice management digitally, including their website, patient portal, appointment booking, inventory management, ePrescriptions, billing, daily reports, SMS alerts, and more. The combination of our two decades of expertise in developing healthcare and life science solutions and inputs from doctors in the local Indian market has resulted in ClinanG being the best clinic management software in India with many first-in-industry features.
