ES Flash XML Photo Gallery is the ultimate pictures presentation utility to create stunning flash slide shows gallery. It is a great way to showcase personal pictures of family and friends, architectural portfolio, graphic arts, wedding photographs, own graphic art or any other thing you would like to showcase on your web site. It has lots of great features: views thumbnail images by scrolling left or right; preloader for loading images; easily add photos, thumbnails and captions in an XML file which can be easily edited in Notepad.
