<b>Mobile Number</b>	{value_mobile_number}
<b>Email</b>	{value_email}

Now any agent can have automated listings even on their existing websites. Add or update their listings in minutes. The system produces consistent attractive property listings without requiring any html knowledge and integrates with any website simply by adding or changing a link. Free URL provided for agents without a website. Visitor Counts, Maps, Contact forms, Client notifications emails and more. Try it free for 2 weeks and save on web design costs.
