The IdiomaX Mobile Translator converts your Pocket PC or Smartphone into a mobile translation device that goes everywhere you do. Translate text, consult dictionaries, and conjugate verbs in five different languages without missing a beat in your busy schedule. Translation Software You Take With You. It takes years to master just one language. The biggest challenge for most language learners is verb conjugation. Our mobile translation software does the work for you in record time, providing conjugation and translation in an instant. You get English, French, Spanish, Italian and German... all in the palm of your hand. Please visit our site for more details....
