Your 24-Hour-A-Day Translation Software. You'll never be stuck for words again with this translation software installed on your computer. It's like having a multilingual assistant at your side at all times, instantly translating words, phrases and segments of text – regardless of what application you happen to be using. How The IdiomaX Assistant Translator Works. Whether you need a translator for business, school, language studies, or personal use, the Translation Assistant is an intuitive program that's incredibly easy to use. Once installed, the Translation Assistant sits quietly on your systems tray, waiting to go to work. When you encounter a word or snippet of text you need translated, simply select that text and click on the translation software icon. Please visit our site for more details.....
