JSCart

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Wirtten in Perl and Javascript, JSCart is a shopping cart software that comes with a powerful built-in database manager and search engine. Easy to use "Search and Shop", "Review Cart" and "Check-Out" functions. All products ordered are each identified by a short description, a photo, the ordered quantity and the price total. Built-in JavaScript functions to calculate shipping and tax charges (optional) automatically.
