Value for Money - "APS Live Chat" costs less than many customer support softwares available but it does not mean that it is inferior and less reliable than any other software. Within a few weeks you will realize that it is money well spent. It can boost your on-line sales by 20-50%. Performance - "APS Live Chat" is developed using the latest cutting edge technologies. It has a very strong architecture and it has performed very well over the past couple of years. We constantly add new features and we always try to give you the best product and service. We do not charge any money for the future upgrades. It is fully customizable and you can change the screens to have the same look as your website has. It is being used by many businesses worldwide. 15 Days free trial - You can try "APS Live Chat" free for 15 days. No credit card is required at the time of Sign Up. No set up fees.
