A JavaScript zoom tool. Move mouse over image and the zoomed version appears to the side. Popular with e-commerce websites as seeing high quality images gives shoppers extra confidence to buy products. Everything is customizable - the position, size, colors, speed, fade and much more. It's a piece of cake to install. In just 5 minutes, you could be displaying your images as you never thought possible. Costs just £29 for one commercial website license. We offer a 100% money back guarantee. If you are using a non-commercial website then Magic Zoom is absolutely free. Works on iPhone, iPad and Android devices as well as every major browser, so everyone can enjoy your images in full glory.
