With the On Sale module for Magento stores, making visually-exciting label images and call-to-action texts is practically effortless. Choose from the software's pre-packaged labels or upload your own, then add text using the predefined variables. Imagine the sales you'll make when customers see labels and text like: "Save \$10 on this item today!" and "Hurry! Limited supply!" On Sale lightning-fast 3-minute setup helps you put labels on a category, product or your whole store in a hurry. Whether you need On Sale for seasonal discount campaigns or inventory clearances, you'll be able to use the extension quickly and easily.
