PacMail

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

PacMail is an easy to use mailing list administrator. Uses asp and access. Get repeat traffic by having your visitors to sign up for your mailing list. PacMail takes all the work out of this for you. Subscription registration is automated. Make a few changes and in less than 10 minutes you will have a fully functional mailing list utility. You can then send mail to the list at any interval you like.
