Mobile Number	{value_mobile_number}
Email	{value_email}

The big Affiliate Networks including Commission Junction, Linkshare and Tradedoubler are having problems with their links being blocked by third party programs such as Norton Antivirus. This is causing major problems in the Affiliate Marketing World as computers which run these program can not access click through links or banners. By using a 'PHP Jump Script, we can bypass this issue. No database is required for this affiliate link jump script and a full tutorial to assist you.
