Our Pinterest Clone is a professional, clear and modern theme. Our Pinterest Script is surely suitable for freelance designers, creative agencies, photographers and image based portfolio works. Our Pinterest PHP Script includes infinite scrolling options and threaded comments. It is very easy to customize our script even though you do not have much technical knowledge. Our main key features are mobile responsive design, numerous short code, advanced admin panel and social sharing status. It has an auto-stacking layout with infinite scroll. It works on large and small screens as well. The themes colors can be changed easily. For More Details: <http://www.phpscriptsmall.com/product/pinterest-clone/>
