Are you planning to start your own fund raising website to raise money for various categories? Then you can choose our Fundraising Script to start your own fund raising sites like kickstarter, indiegogo, gofundme etc. Our script is designed in a manner to launch your own crowd funding website within minutes without much effort. This fully featured Crowdfunding script is developed using Word Press CMS and consists of all the essential requirements and features needed for a Crowdfunding website. Our Kickstarter Clone Script is very clear, user friendly and responsive design which is compatible for all the devices. You can use our script for technology, fashion, charity, movie and everything else you desire. For More Details: <http://www.phpscriptsmall.com/product/readymade-crowdfunding-script/>
