

ScriptBay GEO - Geo Target eBay EPN Tool

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

ScriptBay GEO is the Ultimate EPN Tool by ScriptBay Solutions, and is created specifically to be able to monetize in a simple way, the traffic and sales from eBay. ScriptBay GEO include one exclusive "gentle" redirect of the Users via Browser language and Mobile device to one of the 19 eBay Worldwide Markets. Example: if it is determined the geographical position of one User from Canada and the French language, the script will direct the visitor on the page of the search for eBay Canada, translated in french. ScriptBay Geo also target visitors for Mobile devices to the translated pages of search: English, Spanish, Polish, German, Italian, French, Dutch, Malay, and includes several translations for multilingual countries such as Belgium or Switzerland. Modern Design with Infinite Scroll visualization, big images preview list and easy to use for everyone. And on each object that will be sold via your links, you will generate revenue!
