

Tristana Writer RSS Editor

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

Tristana Writer lets you create an RSS or Atom feed from scratch by inputting each required and/or optional RSS or Atom XML element. You also have the option to simply scan a web page and instantly prepopulate XML information into Tristana Writer for lightning fast publishing. You can view and manually edit XML source code using a user-friendly tree structure format or preview your feed to see how it would look in your RSS reader and online.
