Wordpress AdminPage Class

Address	{value_address}
Contact Person	{value_contact_person}
Mobile Number	{value_mobile_number}
Email	{value_email}

The AdminPage Class gives you a simple yet flexible abstraction of this task. In less than five minutes you can build a whole set of pages containing options of every kind. It handles all the saving and security stuff for you, so you can concentrate on building what you need: The option page.
